

Saint Charles Borromeo Parish Synod Listening Sessions

Thank you to the team of volunteers and the parish staff who shared in leadership for the Synod Listening sessions. This team assisted in planning for the process, facilitated and recorded the listening sessions, and assisted in putting together our parish report.

Your generosity and dedication make a difference in helping our parish to discern how we can journey together in announcing the Good News of Jesus Christ in our community!

106 people participated after the masses last weekend to discuss the parish report from our Synod Listening Sessions. After exploring the report, participants shared ideas about how we can respond as a parish.

Please pick up a copy of the parish report in the back of the church if you have not already done so.
