FED BY CHRIST FOR LOVE

**Join us for an Intergenerational Event
Celebrating the Feast of Corpus Christi and
ending the Year of the Eucharist.**

Come learn the history of this Feast Day and reflect on how the Eucharist feeds us for mission. Discover how Jesus, our Good Shepherd, comes to feed all peoples for all times. Participate in sharing Christ's love by bringing a loaf of bread to be presented during noon mass at the offertory to be given to the poor. Explore how we pray while processing with the Blessed Sacrament. Experience benediction before a Monstrance.

Learn what all these words mean, and....

All of this ending with lunch together in Feist Hall.
